

On behalf of the On Top of the World RC Flyers, We want to personally invite you to participate in our March 24, 2012 BIG BIRD FLY-IN.

As in years past, there is no landing fee or parking fee; we simply sponsor this event for the enjoyment of those who design, build and/or fly all types of RC aircraft. There will be 50/50 Raffle with a guaranteed prize of at least \$100.00. In addition there will be Pilot Choice Awards. (aircraft must be flown during the event) Food service this year should prove again to be outstanding with high quality and low prices.

The attached flyer has some additional details, but if there are any questions you may have, please contact either one of us. We want to make sure you feel welcome and have an enjoyable day with us!

Best Wishes
